

Dear Resident,

Our annual Rabies Clinic will be held on Saturday November 20, 2021 at the Public Works Garage behind the Municipal Building between the hours of 9:00 -11:00 AM.

Please do not bring your dog or cat unless they are due for a rabies shot. Please check your records. If you are unsure if your dog actually needs a shot this year, please call us, we will check for you. **Due to the COVID-19 pandemic, our procedures have changed this year. Enclosed is a form that must be filled out and brought with you to the clinic. Please also attach a stamped, self-addressed envelope. You will not receive a rabies certificate at the clinic, we will mail them to you. Masks must be worn by everyone coming to the clinic and social distancing must be followed!**

Also enclosed is your 2022 dog license renewal form. **This will be your only reminder** to renew your dog license in January. You can prepay your license and mail it in to the Township with a **self-addressed stamped envelope** or drop it in the payment box in the parking lot. **The license and tag will be mailed to you. No license applications and payments will be accepted this year at the clinic.**

There is a \$10.00 late fee which will apply February 1, 2022, for dogs that have not been renewed. If you do not pay your license renewal by February 28, 2022 you will be issued a ticket by the Westampton Township Court. The fee for the ticket is \$53.00.

If your dog's vaccination expires before November 1, 2022 please have him revaccinated either at this clinic or by your veterinarian before licensing. Pets receiving their first rabies vaccination will be issued a certificate good for 1 year. Pets that have had a rabies vaccination before will be issued a 3 year certificate.

If you have any questions please call 609-267-1891 ext.6 (Clerk's Office)
